

Application No. 10/080,818

Amendment dated June 13, 2003

Reply to Office action of March 14, 2003

In the Drawings:

Applicant submits herewith a replacement drawing sheet 3, with FIG. 3 being amended to replace the incorrect reference numeral "28a" pointing to the end of the female barrel with the correct reference numeral "24b", as requested by the Examiner.
